## "CAMP CURIOSITY"

*"Striving to nurture each child's natural curiosities."*

### *"Mixtures, Messes and Music"*

"Camp Curiosity" is a day camp experience that will focus on recreation and education for preschool aged children. Campers will build upon their own natural curiosities in a small group setting that is full of both indoor and outdoor activities. Though it closely resembles our preschool program, the environment of "Camp Curiosity" is designed to be more "camp-like" rather than "school-like". Camp will be led by our teaching team of Margaret Barker, Carmen Tompkins, and Kim Erickson.

We are offering "Camp Curiosity" to children ages 3-5 years old. Please note that our youngest campers must have turned 3 by May 31, 2016, and must be completely potty trained. Our oldest campers will be entering Kindergarten in the fall. We will need a current immunization form completed and on file for each camp participant.

Registration will open on Monday, May 2<sup>nd</sup>.

All program fees must be paid, in full, by June 9, 2016.
